SDC Truck & Trailer Parts **- Trade Night**

Friday 16 October – North City Hotel, County Meath

SDC Truck & Trailer Parts recently hosted a trade event for 240+ customers, at the City North Hotel, Gormanstown along with 24 of the industry's leading component suppliers.

SDC Truck & Trailer Parts has been established for over twenty years, providing a high quality service to a broad range of customers in the transport and logistics industries. The company has grown significantly over the last five years as it strives to ensure the highest level of service to its customers. With five branches in Toome, Belfast, Newry, Lurgan and Dublin, along with twenty vehicles on the road daily, SDC Truck and Trailer Parts offers a reliable and competitive service throughout Ireland.

Gavin Diamond, Managing Director of SDC Truck and Trailer Parts was pleased at the turnout: "It is nice to have the opportunity to speak to our customers face to face and find out a bit more about their day to day business needs. Overall the trade night was a great success, customers had the opportunity to speak to our parts representatives and our key suppliers, to find out about the latest products and services that SDC Truck & Trailer parts have to offer. We have dedicated a lot of time and resources to ensure that our parts service across Ireland is first class and our customers acknowledge that. For anyone who didn't make our trade event this time, keep in touch as we will be holding more in the future."

The trade event was supported by some of the industry's leading component suppliers including: Arvin Meritor, Aspöck, Boydell+Jacks, BPW, Febi UK, Gigant, Haldex, IMS, Jonesco, JOST GB, Knorr-Bremse, TMD Friction, Truck-Lite, TRW, Tube Gear, Wabco, Valeo, MANN Filters, Manbat, Winnard, Reflex+Allen, Aktas, **Midland Calipers** and Bridgestone.

SDC Truck and Trailer Parts currently stock over 15,000 products from axles, suspensions, ABS and air brakes, to electrical components, landing legs, body and general parts.
